Reports of the Superintendent

1. **K-5 Building Community Transition.** Business Manager Joel Murphy presented the transition plan for moving to a K-5 elementary school model by August of 2017 (Doc. Reg. No. 2872). This will allow the district to start building the new school teams that will operate in the new buildings. It will also allow Baldwin to be torn down and razed in August of 2018 and to move students back into the new Baldwin site school in August of 2019. The Learning Communities will include all aspects of students' lives to make them successful. This includes developing partnerships with parents and the community at large to create a "culture of excellence" called for in the District's Vision Statement. In order to accomplish this, we will move to the five communities as soon as possible. Boundaries will change to align with the new school sites. All students will be moving to a school that will have a different make up than the one they currently attend. When the first new elementary school at the Monroe Site opens in the fall of 2017, all students and staff will move to their new Learning Communities. As part of this proposal, some of our current facilities will serve a transitional role to house the Learning Communities for a year or two, until each new school is ready.
2. **K-5 Principal Positions.** Superintendent Webb announced the names of the five principals for the K-5 buildings that will begin to develop a process to assign staff to their new schools. The K-5 principals are as follows: Southwest - Chrissy Cox, N. 12th St. - Cindy Crow, ADM Site - Melanie Schrand, Baldwin - Jim Sohn, and Monroe Site - Brian Trowbridge. With the transfer of Marcey Wells, Chrissy Cox will be the principal of both Adams and Berrian effective for the 2016-2017 school year. An assistant principal, Richard Pugh, will be appointed to assist at those two schools. The principal positions will be included on the Personnel Addendum to be voted on later in the meeting.
3. **IL-PART Recognition.** Michaela Fray, IL-PART Director, reported to the Board on the IL-PART (Illinois Partnerships Advance Rigorous Training) project grant, a partnership with several universities to provide administrative training and internships for teachers. Dr. Carol Webb, Western Illinois University professor, Dr. Mary Kay Scharf, Bloomington District 87 and Illinois State University and Dr. Erika Hunt from Illinois State University addressed the Board and highly praised the program and how it is preparing school leaders for the future. Primary goals of the IL-PART Grant are: 1) to prepare highly-effective school principals and assistant principals that positively impact student learning in high-need districts, 2) develop effective partnerships between university partners and high-need districts, and 3) dissemination of IL-PART evaluation findings and emerging best practices in principal preparation and partnership development. 2015-2016 participants were recognized including Danielle Arnold—Mentor and Lisa Otten—Intern, Mark Pflieger—Mentor and Kaleb Smith—Intern, Dan Sparrow—Mentor and Scott Douglas—Intern, and Brian Trowbridge—Mentor and Tony Fesler—Intern. Interns for 2016-2017 include Jessica Huckey and Jennifer Oitker in the Fall and Loana Devereux, Matt Gabriel, Anna Melgreen and Julie Phelan in the Spring. Ms. Fray noted that the four principal interns participating in the program last year have been hired in leadership roles for the 2016-2017 school year.
4. **Organizational Chart.** Superintendent Webb presented a revised organizational chart that reflects some shifts at the central office level (Doc. Reg. No. 2873). Member Troup asked for a chart with additional information about the number of staff under each administrative or leadership position.
5. **Truancy Follow-Up.** The first meeting of the Superintendent's Coalition for Quincy Children was held July 26. Superintendent Webb reported that this group will meet monthly and brainstorm

solutions for the truancy issues in our district. There were 26 attendees representing community leaders, support services, ministerial, parents, and students.

6. **On-Line Registration.** On-line registration is available for the first time this year. Superintendent Webb reported that information has been sent out to parents on how to access. Traditional registration is still being held at each school or parents are welcome to visit at another time.

Building Committee

The Building Committee report was presented by Business Manager Joel Murphy. A recommendation to build stairs in the QHS theater area was presented. The Building Committee heard updates on the QHS addition and the new elementary schools at the Monroe, ADM, and 12th Street sites.

QHS Additions/Renovations—Chad White, Russell Construction, reported on the progress at QHS. He said the last minute projects include some windows, Building D area, kitchen, and parking lots. Teachers should be able to access their classrooms next week. He thanked district custodial and maintenance staff for their extra efforts to get the building ready.

Monroe Site—Eric Barnes, Klingner & Associates, reported that the precast concrete panels are in place, except on the west end which is open for access to the building. The metal deck is almost all on and roof work is beginning along with work on interior bathrooms. The building will be “watertight” by the first part of October and interior work will continue throughout the winter months. Board members, staff, and community members were able to tour the building prior to tonight’s meeting.

12th St. Site—Mr. Barnes said bids for 12th Street will go out in October. There will be complete presentation on 12th Street at the August Board meeting.

ADM Site—Todd Moore, Architechnics, reported on the ADM school site. Pre-bid meeting will be held July 28. Bids will be due on August 18.
