### Arrival & Dismissal

If you drop your child off at school, please remember that our doors do not open until 8:25AM. We do not have supervision prior to that time.

If you choose to use the carline at arrival and/or dismissal, please ensure your student(s) can get in and out of the car independently. This helps us keep the line moving smoothly and efficiently.

**Crosswalk:** We require ALL students and parents/guardians to use the crosswalk when getting students to and from the parking lot. This is for the safety of our entire Denman community.

Thank you for your help with this!

We wish you and your families a wonderful holiday season.

## Reminders
