SCHOOL SUPPLY LIST

This is a general list. Students will be informed of any other supplies specific to their scheduled courses by their teachers during the first week of school. Laptops will be used on a daily bases. To help minimize sharing of computers and the passing of paper in classrooms, QHS is encouraging all students who are able to bring a laptop to school every day. While tablets are not a part of this document, newer iPads should perform fine for what will be needed. Recommendations and specifications are listed below for laptops if you choose to purchase a laptop.

- Blue or black pens
- No. 2 pencils (if click pencils, make sure they have No. 2 lead)
- Highlighter
- Pocket folders for each class
- Loose-leaf paper/Notebook for each class
- Wired Ear Buds
- Personal Hand Sanitizer
- Algebra I or Algebra II Classes- Scientific Calculator (TI-34 II)
- Algebra II or higher Classes- Graphing Calculator (TI-83 Plus or TI-84 Plus)
- OPTIONAL -Thumb Drive, Laptop (BYOD), Power cord for laptop

Windows Laptops
Recommended specifications:
- Processor: i5 (10th gen. or Ryzen 5 (4th gen.)
- Memory (RAM): 12GB
- Solid State Drive: 512GB
- Display: Full HD (1920x1080)

Example: https://deals.dell.com/en-us/productdetail/gk4v

Minimum specifications:
- Processor: i3 (10th gen.) or Ryzen 3 (4th gen.)
- Memory (Ram): 8GB
- Solid State Drive:256GB

Example: https://deals.dell.com/en-us/productdetail/gk4u

***Please note the following regarding specifications:
- The two most important criteria are the processor and the Solid State Drive (SSD). Those two components make a huge impact on the usable life of a laptop.
- We recommend users steer clear of devices with a Hard Disk Drive (HDD) rather than a Solid State Drive (SSD).

Chromebooks
Minimum specifications:
- Capable of downloading apps from Google Play Store. Model list may be at the following link: https://sites.google.com/a/chromium.org/dev/chromium-os/chrome-os-systems-supporting-android-apps?visit_id=1-636475858134491319-2742213451&rd=1
- Memory (RAM): 4GB
- Storage: 32GB eMMC
